

Research Studies in Economics and Finance *(PhD/MPhil)*

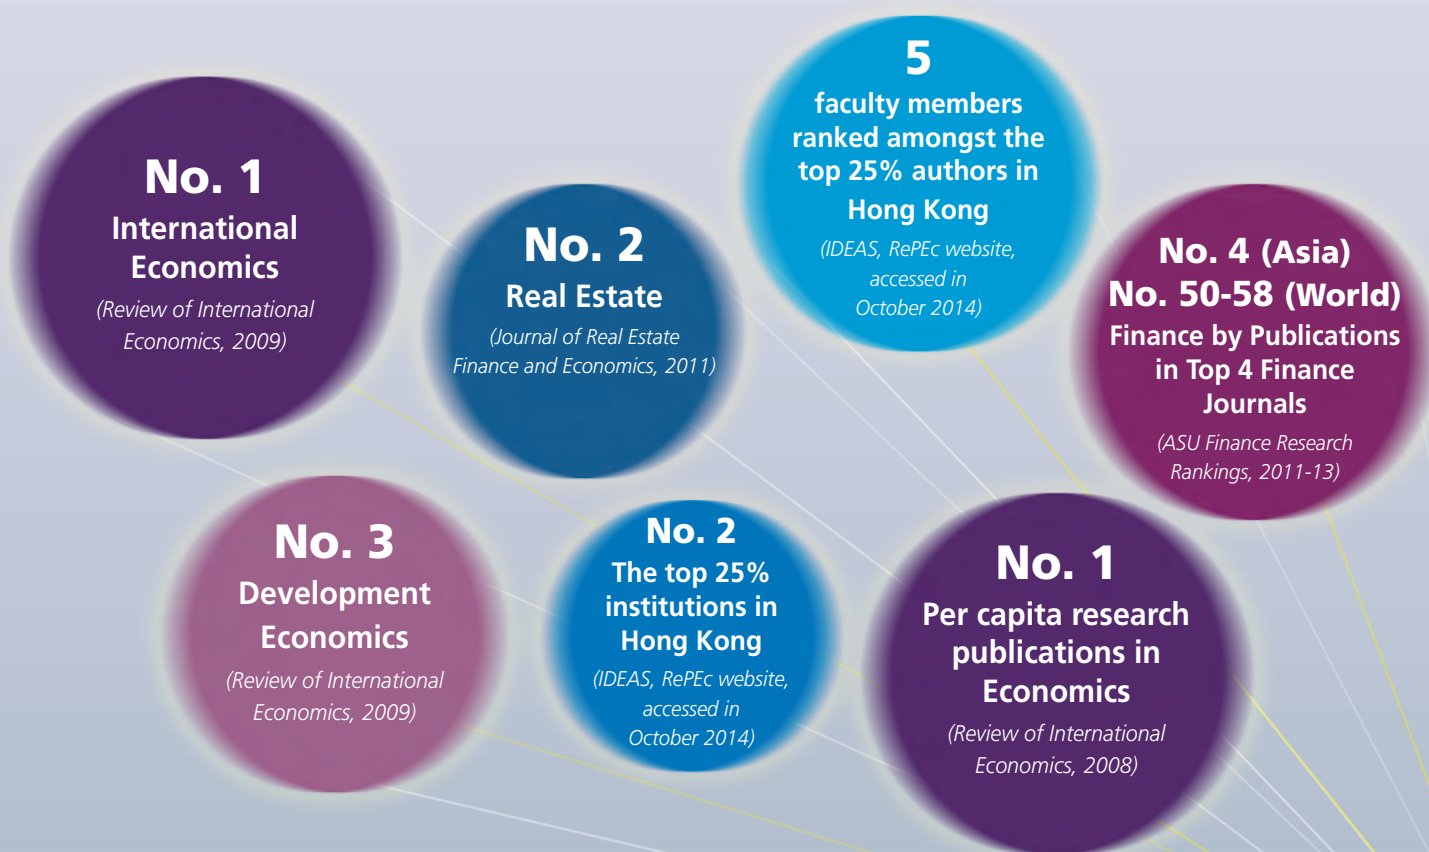

The Department of Economics and Finance is committed to training and fostering prospective students to become excellent researchers and outstanding professionals in the areas of economics and finance. We offer research degree programmes leading up to the degree of Doctor of Philosophy (PhD) and Master of Philosophy (MPhil). Upon completion of the programme, students will be well-equipped to work and be able to contribute significantly in academic institutions and in various business sectors.

The Department has one of the strongest research teams in Asia in the field of economics and finance. The areas of strength of our current faculty members include, among others:

- International trade and finance
- Economic development and growth
- Micro and macro economic theory
- Econometrics
- Money and banking
- Urban and real-estate economics
- Chinese economy
- Public economics
- Corporate finance
- Financial markets
- Market microstructure
- Security analysis and portfolio management
- Derivative instruments
- Banking system and financial institutions
- Management of financial institutions

Research Rankings of the Department of Economics and Finance in Asia

Distinguished Speakers

Entrance Requirements

Doctor of Philosophy (PhD)

- be a current MPhil student in the University who seeks transfer to PhD candidature; or
- hold a higher degree by research (or equivalent qualification) from a recognized university; or
- hold a Master's degree (or equivalent qualification) from a recognized university; or
- hold a Bachelor's degree with first class honours (or equivalent qualification) from a recognized university.

Master of Philosophy (MPhil)

- hold a relevant Bachelor's degree with first or second class honours (or equivalent qualification) from a recognized university.

English Proficiency Requirements

Applicants from an institution where the language of teaching is not English should satisfy the minimum English proficiency requirements* specified by both the University and the College of Business.

- a TOEFL score of 580 (paper) or 237 (computer) or 92 (internet); or
- other test scores that may be regarded as equivalent to the above.

* The College is currently reviewing the above English proficiency requirements.

LIN Mi (PhD Graduate)
Lecturer
University of Lincoln

"Faculty members encourage, drive and collaborate with research students to publish in leading academic journals and present in international conferences and workshops."

"I was offered the exchange study opportunity in University of Paris 1 and Paris School of Economics."

DONG Jinyue (PhD Graduate)
Economist
Banco de Bilbao Vizcaya and Argentaria (BBVA)

"Through the PhD studies at CityU, I was intensively trained to investigate certain Economics topics deeply. It greatly helps me understand and analyze today's market situations and further my specialties.

Apart from acquiring theoretical knowledge, my way of thinking and handling difficulties was enlightened. This was an experience that enriched my life."

LAW Ka Chung (PhD Graduate)
Chief Economist & Strategist
Bank of Communications Limited

Scholarships and Funding

As an Applicant...

You may consider applying for the **Hong Kong PhD Fellowship Scheme** which is established by the Research Grants Council (RGC) of the HKSAR Government. It aims at attracting the best and brightest students across the world to pursue their research degree studies in Hong Kong.

The Fellowship provides the awardees with a monthly scholarship of HK\$20,000 and conference and research related travel allowance of HK\$10,000 per year. In addition, CityU offers the **Chow Yei Ching School of Graduate Studies Entrance Scholarships** to each nominee of the Fellowship, which covers student's full-time tuition fees and on-campus hostel accommodation expenses in their 1st year of research studies.

Applicants should register at the RGC's Online Application System (OAS) and obtain a reference number on or before 1 December 2014 (12 noon Hong Kong time). They are required to submit full application to the CityU's Online Application System on or before 6 December 2014.

Please refer to <http://www.sgs.cityu.edu.hk/prospective/RPg/HKPhD> for more information.

As a CityU Student...

Financial awards / assistance are available for government-funded research students:

Financial awards / assistance	Amount of funding
Postgraduate Studentships	Tentative HK\$14,800/month* for PhD students and HK\$14,000/month* for MPhil students for 2014-2015
Chow Yei Ching School of Graduate Studies Scholarships	A one-off cash award of HK\$60,000*
Research Tuition Scholarship	In the form of an exemption for students from paying tuition fees
Conference Grant	Up to HK\$10,000*
Research Activities Fund	Up to HK\$30,000*

* Subject to revision every year

Exchange Opportunities

Exchange programmes are established respectively with University of California, Santa Cruz and Central University of Finance and Economics for PhD students to join.

"I was given the opportunity to take a summer internship with JPMorgan Chase in its quantitative research department. The technical know-how and business acumen picked up in the PhD program eventually helped me establish my own investment outlet QEdge after graduation."

ZHUANG Ziyin, Roger (PhD Graduate)
Project Manager
QEdge Capital

"It provided me with systematic training, great research facilities, and ample opportunities to discuss with scholars all over the world."

LUO Miao (PhD Graduate)
Assistant Professor
Sun Yat-Sen University
